What is Kids Walk?

The American Cancer Society's Kid's Walk is a fun filled celebration designed for young people to participate and get involved in Relay for Life. The kids are invited to walk around the track and enjoy a number of activities and games held during this 2-hour event as a part of Sampson County Relay for Life. This is a great way to get kids involved and learn the importance of participating in community activities. For questions, please call 592-3107.
